

## What experience and documents do I need to hire?

**Driving Licence:** All drivers need a UK or EU photocard driving licence, with up-to-date address and ID, category “b” entitlement (normal car licence) and must have been held for at least 2 years at time of hire. All drivers must be aged from 25 to 75 years of age for the whole hire, however we can accommodate 21-24 and 76-79 year olds with a larger security deposit.

**Online licence check:** All UK drivers need a DVLA licence information check (from [www.gov.uk/view-driving-licence](http://www.gov.uk/view-driving-licence) ). The check must show no more than 6 penalty points from two different offences. Any more than this and we would need to check with our insurers for permission to drive.

**Hire Agreement:** The hirer needs to complete a Hire Agreement and bring it along on the day of hire.

**Security Deposit:** All hirers need to transfer a £500 security deposit by BACS for the duration of the hire. This will be returned within 48 hours of the hire ending, minus any deductions for damage, replacement fuel, emptying tanks or replacing lost items / keys. The deposit will serve as the excess if an insurance claim is required.

**Proofs of address:** Two proofs of address are needed, both within 90 days of the hire date. Either 1x primary and 1x secondary, or 2x primary proofs of address from the following:

- **Primary Proof of Address:** Electricity, Gas, Water, Broadband, Landline, TV or Council Tax bill or bank, mortgage, HMRC or credit card statement
- **Secondary Proof of Address:** payslip, student loan, mobile bill, pension letter, loan or finance statement, shotgun licence
